Answer Key

The Rainy Day Parade

*The rain comes down with a pitter and patter,
splashing on rooftops with a happy clatter.
I put on my boots, so red and so bright,
and run out the door to jump with delight!*

*Puddle by puddle, I hop down the street,
making a splash with my two little feet.
My dog barks beside me, tail wagging with glee,
he loves rainy days just as much as me!*

*We march past the mailbox, we march past the tree,
a rainy day parade, just my dog and me.
The sky may be gray, but I don't mind at all,
I love jumping puddles, both big ones and small.*

*When the rain finally stops and the sun starts to peek,
I look for a rainbow, high over the creek.
Then home we go, tired and happy and wet,
already excited for the next rain we'll get!*
